

Special Parental/Guardian Statement

Student Participation in Vo Ag Extended Day Program for
Workplace Readiness

Dear Parent/Guardian:

_____ has selected the after school program titled _____. Participation in these workplace readiness extended day activities may include high hazard industrial activities/applications. Although students will be provided appropriate protocols/operations including PPE (Personal Protective Equipment) accidents can and do occur. It is important that you consider and approve this participation.

- Transportation is not provided home from these programs and can vary according to each program - please look a for a fact sheet and teacher contact information for each program.
- Offsite activities and field trips need individual permission slips.
- Activities can be on the farm or on-the-water which can lead to occasional late dismissals - especially for inclement weather.
- The Sound School Aquaculture Office is open to 4:30 daily - 203-946-7106.
- The Sound School has a Waterfront Director daily in times of emergency, please ask for that person.

I give permission for _____ to participate in a Vo Ag Center Workplace Readiness Program.

Parent/Guardian _____ Date _____

Emergency Contact Information.

This form is to remain with the FFA Subchapter or Directed Laboratory lead Vo Ag Teacher.
